Class Song

"Written by the Song Committee
 of the Class of 1958.

Here's a salute to our Alma Mater dear,
 A salute to Harris-Elmore High
 The time for us to say farewell has finally drawn near,
 It seems like only yesterday we started our first year.

Here's a salute to our teachers who've worked hard,
 To strengthen us for all that lies ahead.
 We'll do our best throughout the years to use what we have learned,
 And try to do what's right for those with whom we are concerned.

Here's a salute to the friendships we have made;
 Our memories of you will linger on.
 So we, the class of 1958, bid you adieu;
 It's surely been a lot of fun to be with all of you.

CHORUS:

Our learning we must use, to help the world in need,
 For today we are but following, Tomorrow we must lead.

Class History

In September of 1946, forty-three little five and six year olds tripped off to school. We got our first taste of learning through reading the Dick and Jane books. We all remember how excited we were the night we gave our first operetta under the direction of Miss Burton.

Jane Damschroder entered our school in the second grade. We all remember her coming because of the large birthday party she gave.

As we entered our thrid year, our main goal in life was studying.

During the fourth grade we entertained the fifth grade with a play entitled "Tom Thumb's Wedding".

Up until the fifth grade we were all one happy family. Now we found we must be divided into two groups. On that first day there were many sad expressions as best friends were parted.

Our sixth year was most exciting because we got a day off from school to go to the W.S.P.D. television station and the zoo.

When we reached the seventh grade, we thought we were about as grown-up as we could be, because we started changing classes just as the high school students did. This year we gave a Thanksgiving assembly. We also had a Christmas party complete with mistletoe.

During our seventh and eight grade years we enjoyed the Seventh and Eighth Grade Party.

After eight long years we were freshmen. We were happy to gain several new students from Benton Township. On Halloween, Terry Overmeyer gave us a very enjoyable Halloween party. Our assembly this year had the theme of a nightclub on television.

When we became sophomores, our knowledge had seemed to reach its peak, but we still seemed to learn something new every day. We gave a dance after the Oak Harbor basketball game to raise money for the prom.

Our junior year showed the talents of many students as we gave the play, "Dollars and Nonsense" on November 16. The biggest event of the year was the Junior-Senior Prom. We chose the theme of "Fairylad Romance" for our big night.

At long last we were seniors. We looked back over the years and noticed that there were only 20 of the original members graduating with us. James Holland started school with us then transferred to Graytown, but returned to Elmore to graduate. In the fall we had our pictures taken by Powell Studios. We received our pictures just before Christmas. We were sorry to lose Sharon Helmecei our senior year, but happy to have Leona Krumnow join. On April 25, we presented the senior play, "The Red House Mystery".

One of the highlights of our senior year was the Prom given for us by the juniors. The auditorium was beautifully transformed into a Japanese Tea Garden. Suddenly, as we neared graduation we realized how rapidly time had passed. On June 1, ^{Senior} Baccalaureate Services were held. On June 4, ^{we} the class of 1958 marched down the aisles of the auditorium for the last time as a class. As we left the auditorium, we were individual young men and women.

Class Will

Class Prophecy

Coming back to Elmore in the year 1978 after being one of the first travelers to the planet Satunatus, I decided to look up the graduates of 1958. Stepping out of the "Galaxy 5-D-5" which, incidentally, was invented by JAMES OWEN from his collection of Model T Fords, the first scene to catch my eye is the brilliant neon sign advertising "Bay-tonne." This is a now famous fashion center run by ALICE BAY, assisted by the "wizard seamstress" KATHERINE BARKHAU. Their gowns have been worn by some of the world's best dressed women, including socialite BARBARA DAMSCHRODER. Barb is "still" waiting "patiently" for JERRY KRUEGER to propose to her. Jerry is the only artist to have painted the Eiffel Tower at a straight angle.

Cruising farther in the "Galaxy" I am caught in a mad missile race which has been caused by MURRETTE NEWTON'S announcement of the sale of Ansh Girty-Girts. These "girty-girts," which are girdles worn for outer space travel, were designed by TWYLA WHEATLEY, SHIRLEY DAMSCHRODER, and ANN NELSON. Another thriving business is the "Juan-Kat-Laundromat" run by JUANITA BARRON and KATHY MIRELES. They owe the success of their business to SUSAN SCHWEMBERGER and GRETCHEN MINNING'S discovery of "Suegret's Nu-All Soap" which renews clothes for a lifetime, not counting holidays and Sundays. BEVERLY FLICK has worked her way up to the top in Penney's and is now manager of all Penney stores in the area. Bev also recommends the "Juan-Kat-Laundromat" to all Penney customers for the clothes they buy there.

Stopping at Wood's News Stand, operated by SUZANNE WOOD, I notice on the front page a picture of one of the graduates of 1958. I read on and find it is JOYCE MILLER being crowned by beauty contest judge MELVIN GIESLER. Joyce has been named "Miss Poise of 1978." Entertainment for this affair was furnished by the "Harmony Kats," RUSSELL FURSTNAU, FRANCIS WIDMAN, and JAMES DRAEGER.

Several of the 1958 class members have "gone" to work for their government. LEONA KRUMNOW and ROSEMARY CROLL now head the United States Treasury Department. GARY "Soco" ANDERSON is the Ambassador to Russia although he has promoted much good will, his sense of humor bewildered the Russians so much that he started a revolt for "Humorism" instead of communism. JAMES KLICKMAN, really helps the farmers out, he is the new Secretary of Agriculture. DAVID HAAR is a Marine D.I. He was the first "D.I." to allow "Elvis" haircuts in the service. Last but not least is the President of the United States, WARREN SCHLIEVERT. His calm disposition was the alluring point which won him the election.

LOREN SAMPSON has taken over the place of Walter Winchell as news reporter over the nation. His secretary is JANE DAMSCHRODER, the only person who can write as fast as he can dictate.

For a refreshment we stop at one of Daryl's Quairy Deens. DARYL BOUCK'S ice cream especially features the cone with the Kurly-Kue at the bottom instead of the top.

If you are interested in having a car specially made, you don't have to have it imported. JAMES HOLLAND designs the car of your dreams. The paint job is left up to DENNIS HAAR. Their "Carstum Car Custom Shop" is a great success. For scratches or dents in their models, they recommend "Em's Fix-It-Fender Shop" operated by EMILY FONDESSY.

SUE ARNDT and LOIS AVERS head the new IBM School in Elmore. Lois teaches the operation of the machines and Sue repairs them when they wear out.

If you are in the market for flowers, go to Draper and Zunk's Greenhouse. They offer a wide variety of new plants discovered by the owners DENNIS DRAPER and RICHARD ZUNK.

Two more of the members of the class have gone into the entertainment world. GALEN LEMKE is the new sensational star of stage, screen, TV, and outer space. JAMES MAGSIG heads the Philadelphia Philharmonic Symphony Orchestra.

DON LAUER has become one of the world's renowned travelers. He has been nicknamed "Lowell Thomas the II." Along with him has gone BETH BRANDES. Beth was the first psychiatrist to interview a head hunter in the wilds of South Africa.

The graduates of the class of 1958 have done well for themselves so I, the spirit of the class of 1958, salute them and leave them now to continue in their paths of success.

A trophy was awarded to the Purple and Gold for second place in the duplication of a newspaper at the annual NODJA contest in Bowling Green State University. This is the first time the P'n'G was awarded a trophy. The judges also gave it a "superior" rating, which is the highest rating available. It was the second time it received a rating of such, the last time being back in 1953.

Varsity Club

The Varsity Club is composed of all boys earning a Varsity letter in football, track, or basketball. Our purpose is to promote better sportsmanship, create greater interest in athletics, to develop character and social skills, and to promote the general welfare of the school. This year we have tried to carry out our purpose by giving a Varsity Ball, car wash, scrap drive, and selling both Bulldog sweat-shirts and Bulldog license plate tags. This money was used for the purchase of a 16mm movie camera which is to be used for the taking of pictures of future sport events.

Future Farmers of America

The members of the Elmore Chapter exhibited projects at the Oak Harbor Fair, took part in the Farm Safety Campaign, held a F.F.A. & F.H.A. party, had a Dad's Night and Wild Game Supper, and sponsored the annual Pest Hunt.

In the fall the chapter decided to take a trip to Washington D.C. and New York City. To finance the trip the boys sold cider, seeds, light bulbs, and subscriptions to the Farm Quarterly Magazine; held two scrap drives and harvested and sold the crops from the F.F.A. farm.

Versatile Club

On September 6, 1958, the Senior girls held their first Versatile meeting in the school cafeteria at which the officers were elected. We started the year off with the traditional drawing of names of our secret sisters. We made our money by selling Mums at the Oak-Harbor vs Elmore football game, after which the club also sponsored a dance. Peanut crunch and creamy mints were sold again this year. During Easter vacation, we had the most fun spending our money by chartering a Greyhound bus to Detroit to see Lowell Thomas's SEARCH FOR PARADISE. We also bought furniture for the stage to be used by the Seniors for their play. The club included twenty girls with Mrs. Coleman advising.

Librarians

Every year students from grades seven thru twelve are chosen by Mrs. Anstead to act as librarians during their study periods. The duties of librarians are to help others find books, to check out the books and to keep order in the library. An average of 25 books are checked out each day. This year a set of National Geographic Books, a new set of World Book Encyclopedia, and a set of World Educators were purchased by the library. A rack of current magazines for reference work and entertainment is also kept in the library.

L. Ervin Boyer

L. Ervin Boyer, 75, a native of Lindsey, died Monday at 6:15 p.m. in St. Anthony's hospital, Columbus. He had been a patient there since 1953 soon after he suffered a stroke while living with a brother, Amos, in Columbus. He left Detroit in 1953 after retiring from the Murray Body Corporation where he was a welder.

The body is at the Weller-Wonderly funeral home where friends may call starting Tuesday evening. The funeral will be Thursday at 10 a.m. at the mortuary, the Rev. R. F. Haskins officiating. Burial will be in Parkview cemetery, Detroit.

Mr. Boyer was born February 22, 1884, son of L. F. and Catherine Kline Boyer. He married Mary Abbey, who died in 1947. Also deceased are the parents, the brother, Amos, and a sister.

Surviving are the following: sons, LaMar, Toledo, and Ervin, Johnstown, O.; daughter, Mrs. Ervindene Ruggiero, Cygnet; stepsons, Ray and Harry Andrews of Lansing, Mich.; stepdaughter, Jean Andres, Lansing; brothers, Bert, Bradenton, Fla., and Roy, Fremont; sister, Mrs. Hattie Gerlach, Elmore, and eight grandchildren.

Price Rise At Present

WASHINGTON (AP)—The steel labor peace—bought for the next 2 ½ years at a billion-dollar price—loosed today a flood of political conjecture and stirred new misgivings over inflation.

The stock of Vice President Richard M. Nixon and Secretary of Labor James P. Mitchell soared as a possible Republican ticket in the November election.

Suddenly illuminated by the political spotlight, Mitchell told questioners "I don't know and I don't care" whether the wage pact he announced Monday enhanced his chance of becoming the GOP's vice presidential nominee.

The stock market spurted and officials issued bolder forecasts of 1960 prosperity as the settlement, engineered secretly by the Nixon-Mitchell team, erased fears of another economy-crippling strike by the 500,000 United Steelworkers.

No Price Boost Now

Steel industry leaders forecast no "immediate" price boosts to crank up the wage-price spiral.

Activities

Harris-Elmore Marching Band

The gay marching and music of the Harris-Elmore Band was a welcome sight to see at every home football game. To entertain the audience at half-time, the bank always presented a lively musical skit. It's 83 members always came in full-body to cheer our football boys to greater victory.
